

REQUEST FOR CONCESSIONS DURING
CLAY COUNTY PIONEER REUNION

It is the policy of the Pioneer Association to only allow School Groups, Civic Clubs and Organizations and Church Groups to profit from the Clay County Pioneer Reunion each year with 20% of the net proceeds going to the Association. The Nine-Man Board feels that by upholding this policy the Pioneer Reunion will benefit the people of Clay County and help to continue the standard of the Celebration that has become a tradition passed down from the Pioneers of the County.
